

Parking Questions & Answers

Q: How much is parking at the Winnipeg airport?

A: [Click here](#) to view our current parking rates.

Q: Do the parking lots have plug-ins?

A: Yes, power receptacles are in all lots for block heaters only

Q: What is the max vehicle height allowed in the new Parkade?

A: The Parkade has a height restriction of 2.2 m (~7' 2").

Q: If I leave on Monday and return the next Monday will I be charged for one week, or one week plus one day.

A: One week plus one day, depending on time in and out of the lot.

Q: Is the weekly parking rate based on a 5-day or 7-day week?

A: The weekly parking rate is based on seven periods of 24 hours, and begins when you enter the lot.

Q: When do I get a parking ticket or parking stub, and what do I do with it?

A: A parking ticket is issued at the lot entrance when you push the button. Take the ticket with you. On the way back to your car, locate a Paystation on any floor in the Parkade lobby and insert the ticket. Pay here with cash or credit, and retain the *paid* ticket (also your receipt) to open the parking gate at the lot exit! If paying by debit, please proceed to your car, and pay at the cashier at the exit. The cashier will also accept cash and credit.

Q: Can I access the lot with a credit card, instead of taking a ticket?

A: Yes. Insert your credit card at the lot entrance. Your card will register and come back out, and the gate will open. When you are ready to leave, pull up to the exit gates, insert your *same* credit card. Your card will register and come back out, a receipt will follow, and the gate will open. There is no need to stop at a Paystation or the cashier if you have entered the lot with your credit card.

Q: Do parking rates include PST and GST?

A: Our parking rates include GST, which is the only applicable tax.

Q: If I want to drive by and pick someone up who is coming off a plane, where can I do that?

A: Please approach the air terminal building on the Arrivals Level in the non commercial lanes. (The 3 lanes in front of the terminal are for authorized commercial vehicles). Look for the signs called "Pickup". Your passenger will be waiting for you on the large sidewalk/meridian, after picking up their bags and following the signs to the Pickup Area.

Q: Is there security or cameras in the parking lots?

A: The Parkade and parking lots have regular foot patrols, security cameras and driving patrols.

Q: Do I need to/can I reserve parking?

A: Both parking lots are on a first come/first park basis

Q: Is there a parking discount for CAA members?

A: There are no parking discounts available at this time.

Q: Is there a cell phone lot?

A: The airport does not have a cell phone parking lot at this time.
