

# Parking Q & A

**Q** How much does parking cost at the Winnipeg Richardson International Airport?

**A** To view our current parking rates and use our parking rate calculator, [please follow this link](#).

**Q** Do the parking lots have plug-ins?

**A** Yes, power receptacles can be found in all lots for block heaters only.

**Q** What is the maximum vehicle height allowed in the parkade?

**A** The parkade has a height restriction of 2.2 m, or approximately 7' 2".

**Q** If I leave on a Monday and return the following Monday, will I be charged for one week, or one week plus one day?

**A** You will be charged for one week plus one day, depending on the time you enter and leave the lot.

**Q** Where do I get a parking ticket, and what do I do with it?

**A** A parking ticket is issued from ticket dispensers located at the entrance of the parking lot or parkade. If you have your ticket with you upon return, you can pay quickly at one of our convenient paystations. On your way back to your vehicle, **simply locate a paystation on any floor in the parkade lobby, insert your ticket and pay via credit card or debit card**. Retain your paid ticket stub, and insert it in the dispenser at the parking gates in order to exit the parking area.

If you wish to pay with cash or prefer to visit our 24/7 cashier, follow exit signs and stay in the left lane as you leave the lot.

**Q** Can I access the parking lot or parkade with my credit card at the ticket dispenser instead of taking a parking ticket?

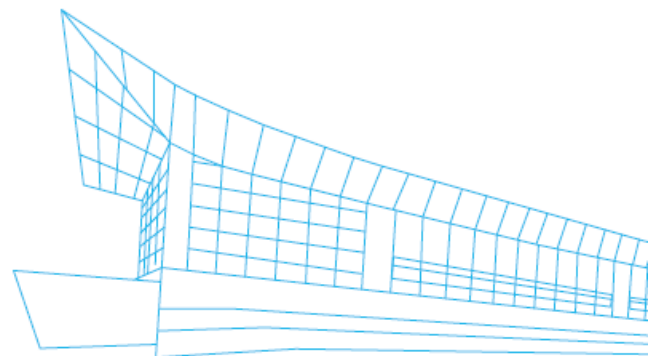

**A** No - we no longer accept credit cards cannot at the entrance. Pre-booked customers must scan a barcode at the entrance, and all other customers must take a ticket. Upon return, pre-booked customers can scan their barcode at any of the exit lanes. If you have a ticket you may stop at any paystation in the parkade, or insert your ticket at any exit gate.

**Q** Can I pay for parking at a paystation using cash?

**A** No; please visit our 24/7 cashier window at the Exit Plaza to pay with cash.

# Parking Q &A

**Q Do parking rates include PST & GST?**

**A** Our parking rates include GST, which is the only applicable tax.

**Q Do I need to/can I reserve parking?**

**A** You can reserve your parking online. To go to the online parking reservation page, please follow this [link](#).

**Q Is there security, or cameras in the parking lots?**

**A** The parkade and parking lots have regular foot patrols, security cameras and driving patrols.

**Q I've lost my parking ticket, what do I do?**

**A** Please proceed to the Parking Booth at the Exit Plaza and explain that you've lost your parking ticket. Customers who have lost their parking ticket will be charged the greater of one day parking at the parkade rate or total days parked at the applicable economy or parkade rate as confirmed in our license plate inventory system.

**Q If I want to pick someone up curbside, where can I do that?**

**A** Please approach the terminal building on the Arrivals Level in the non-commercial lanes (the three lanes nearest to the terminal building are for authorized commercial vehicles only). Look for the "Pickup" signs. Your passenger will be waiting for you on the large sidewalk/meridian.

**Q Is there a parking discount available for CAA members?**

**A** There are no parking discounts available at this time – please watch WAA.ca for an update on this.
